About Me

As a UX Designer and Front-End Developer, I blend creativity and functionality to create engaging digital experiences. Passionate about staying current with design trends and technologies to deliver modern solutions. Experienced in building responsive, multi-platform websites and collaborating with UX teams to develop user-friendly applications.

Education Background

SSLC - (2015 - 2016)
A.P.C.Veerabahu Matric Hr.Sec.School.

HSC - (2017 - 2018)
A.P.C.Veerabahu Matric Hr.Sec.School.

2018 - 2021
Bachelor of Science in Computer Science **B.Sc**
V.O.Chidambaram College.

2021 - 2023
Master of Computer Application **MCA**
St. Xavier's College, Palayamkottai.

Experience

Work Experience - Corvanta Analytics
Front-End Developer | August 2023 - Present

Project: Insight Health
Technologies: React, JavaScript, Tailwind CSS, Playwright

Worked on "Insight Health," a web app for hospital appointment booking. Integrated "LumiChat," an AI chatbot for medical inquiries. Built and optimized responsive UI components using React and Tailwind CSS for a smooth user experience on both mobile and desktop.

Collaborated on backend services using Python and PostgreSQL, optimizing REST API calls and improving application performance

Implemented Playwright for automated UI testing, ensuring the stability and quality of the application's user interface.

Certifications

- Certificate course in photoshop from 2018-2019.

- Certificate course in "Hands on Training Workshop" on "Internet of Things"- 2019.

- Professional Certificate in Adobe Photoshop
  Udemy - April 2023
